Warranty Repairs

In the event of a problem, please contact us as soon as possible, as many issues can be resolved over the phone.

Returned items are evaluated immediately. Repair, or at Seller's option, replacement of defective items shall be the sole and exclusive remedy under warranty; items expendable in normal use are not covered by this warranty. All warranty replacement or repair shall be limited to product malfunctions, which, in the sole opinion of Seller, are due or traceable to defects in original materials or workmanship. All obligations of Seller under this warranty shall cease in the event of abuse, accident, alteration, misuse, disassembly, **contamination** or neglect of the product. Equipment or sub-assemblies which fail during their warranty period should be returned at customer expense to the A-VAC Industries service department with an RMA# (Return of Merchandise Authorization Number). If we find that the failure is a warranty issue, we will refund inbound Economy ground shipping value only, along with outbound Economy ground shipping value only.

Warranty repairs or the replacement of parts, are warranted only for the remaining unexpired portion of the original warranty period applicable to the repaired or replaced parts. After expiration of the applicable warranty period, Customer shall be charged at the current prices for any parts, labor and transportation.

If the failure is not found to be warranty related, any service/repair will be a billable charge.

Seller expressly disclaims responsibility for loss or damage caused by use of its products other than in accordance with proper operation procedures.

THIS WARRANTY IS EXPRESSLY IN LIEU OF AND EXCLUDES ALL OTHER EXPRESSED OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND OR FITNESS FOR PARTICULAR PURPOSE, USE OR APPLICATION, UNLESS OTHERWISE AGREED TO IN WRITING BY SELLER.
